

IV. ERRATA TO DRAFT EIR TEXT

Revisions to the Draft EIR

Four corrections were made to correct a misidentified exhibit. However, these corrections do not constitute “substantial changes” or “significant new information” requiring recirculation of the Draft EIR (CEQA Guidelines Section 15088.5).

Changes to the Carbon Canyon Dam Sewer Pipeline Project Draft EIR are noted below. Additions to the text are indicated by underlining. Deletions to the text are indicated by striking. Changes are listed by page and by location on the page.
