

# ORANGE-WESTERN TRUNK SEWER PROJECT

## Construction Activity

As part of OC San’s regional sewer rehabilitation project, construction will begin on Western Ave. in the City of Buena Park and Anaheim. The first activity will be line cleaning, pipe joint reinforcement, followed by manhole rehabilitation or replacement. A portion of pipe at the intersection of Western Ave. and Lincoln Ave. will need to be replaced. Most of the activity on Western Ave. is occurring on the southbound travel lanes heading toward Orange Ave. As construction progresses, additional notifications will be shared.

## Workdays & Times for Western Avenue

- Early February 2022 – Summer 2022\*
- Work hours vary by activity and location – general hours are:
  - Line cleaning: weekdays, 9 p.m.-6 a.m.
  - Manhole work: weekdays, 8:30 a.m. - 9 p.m.
  - Occasional weekend work, Fri 9 p.m. to Mon 5 a.m.
- Visit [www.ocsan.gov/OrangeWestern](http://www.ocsan.gov/OrangeWestern) for location specific work hours.

*\*Dates and times are subject to change due to operational factors or inclement weather. Some locations will require night work hours and notice will be provided.*

## What to Expect

- Lane and crosswalk closures
- Occasional turn restrictions
- Increased noise
