

# **CONSTRUCTION OUTREACH EVENT**

## **PROJECT NO. 3-60 KNOTT-MILLER HOLDER ARTESIA BRANCH REHABILITATION**

March 10, 2026

---

The Orange County Sanitation District (OC San) will hold a construction outreach event on Tuesday, March 31, 2026, from 1:00 P.M – 2:00 P.M. The event is open to contractors and subcontractors. Attendees will learn about Project No. 3-60, Knott-Miller Holder Artesia Branch Rehabilitation, and have the opportunity to network with other contractors.

### **OC SAN BACKGROUND**

OC San is responsible for the collection, treatment, and disposal of wastewater for the north part of Orange County, California. OC San operates and maintains 15 regional pump stations, 388 miles of sewer pipelines, and two treatment facilities: Plant No. 1 in Fountain Valley, CA and Plant No. 2 in Huntington Beach, CA. The treatment facilities currently process an average of 185 million gallons of wastewater per day (mgd).

### **GENERAL SCOPE OF WORK**

During the event, OC San will highlight Project No. 3-60, Knott-Miller Holder Artesia Branch Rehabilitation. This project will rehabilitate 3,900 feet of 18-inch to 45-inch sewer, rehabilitate 40 manholes, clean and inspect 2 manholes, and install 3 new manholes in the City of Buena Park. One new air jumper will also be installed in the City of La Palma.

### **EVENT DETAILS**

Date: March 31, 2026

Check-in: 12:30 P.M. – 1:00 P.M.

Presentation: 1:00 P.M. – 2:00 P.M.

Location: OC San Headquarters Board Room  
18480 Bandilier Circle, Fountain Valley, CA 92708

OC San will provide a presentation and answer any questions from the attendees. All parties interested in this upcoming bid opportunity are encouraged to attend.

### **VISITOR IDENTIFICATION AND SIGN-IN**

Limited parking spots will be reserved at OC San's Headquarters. Therefore, carpooling is recommended. If parking is not available, attendees are encouraged to park in the surrounding streets.

Upon arrival at OC San's Headquarters, all visitors must show a government-issued photo identification and sign-in. Visitors must obtain a temporary visitor identification badge by providing either a driver's license, California Department of Motor Vehicles issued photo identification card, passport, or other form of identification that establishes identity. Depending on the number of visitors, waits of 30 minutes may be expected with the sign-in process. Therefore, attendees should plan their arrival accordingly.

Advance registration via email at [construction@ocsan.gov](mailto:construction@ocsan.gov), by **Wednesday, March 25, 2026**, is highly recommended to help reduce the wait time at check-in. Please include the following title on the subject line of the email: "*3-60 Project Outreach Event, Visitor Registration*". In the body of the email message, include the company name and, for each attendee, the first and last name, phone number, and email address.

### **REGISTRATION WITH OC SAN FOR THE UPCOMING OPPORTUNITY**

If you are interested in this upcoming bid opportunity and any future communication, please send an email to [construction@ocsan.gov](mailto:construction@ocsan.gov) and include "*3-60 Project Outreach*" in the subject line.

If your firm is not a registered vendor in OpenGov, you are invited to start the registration process by following the instructions below.

- Go to OC San's Website ([www.ocsan.gov](http://www.ocsan.gov))
- Under "What We Do" – select "Doing Business with OC San"
- Under the "Announcement" section, you may subscribe to OC San's solicitations by navigating to <https://procurement.opengov.com/portal/ocsan> and clicking the "Subscribe" button.
- When prompted to login, select "Sign up"
- Complete the vendor registration process. When prompted to select/add a category/commodity code, use one of the following codes: 23, 237, 23711, 237110, 2379, 23799, 237990, 2213
- OC San recommends registering at least one additional contact person's email address in the box entitled "Alternate Email" to receive notices in case the main contact is unavailable.

If your firm is already registered in OC San's Vendor Portal in OpenGov, add one of the commodity codes listed above for which your firm is registered. Ensure that the contact information of the individual who needs to be notified when OC San releases solicitation notices is current. You may also add a backup individual in the "Alternate email" section.
